Dear Camp Families:

We hope you are all doing well during these trying times. We are hopeful that life will be back on track in time for camp to start up in July—and won't we all need a little extra art by then! Rest assured, we are a licensed youth camp through the CT Office of Early Childhood, so we follow all of their directives and protocols. All updates will be posted on our camp website at www.shubertcamp.com.

For now, please follow our camp Instagram page. We'll be posting pictures of all of the projects we're working on to get ready for camp. And we want campers to share any art that they are working on too! Just post your pictures or videos with the hashtag #shubertcampathome. Or send them to us at shubertcamp@gmail.com and we'll post them on our page.

We miss you, we hope you stay healthy and well, and we can't wait to see you this summer!

All the Best,
